1. Plaintiff prays for judgement against the above defendant in the sum of \$6000.00 including court cost.

On 03/27/2021 I received a letter of denial for credit of \$5000.00. I did not apply for this credit and tried to obtain information on who was using my identity for this purpose. No cooperation with this request. This institution has caused me financial problems with my current banks and thus I am unable to obtain credit to further my business in the construction business. Their reckless actions and unwillingness to cooperate to correct this problem is absolutely irresponsible.
